

DELL PREMIER WIRELESS ANC HEADSET – WL7022

# Collaborate with ease anywhere

## IMMERSIVE AUDIO EXPERIENCE

Stay focused on your conversation with this wireless high quality stereo headset. An on-demand active noise cancellation feature provides you the option to completely block out ambient sounds while on a call, or turn it off to listen to your surroundings.

## INTUITIVE FEATURES

Thoughtfully designed features like smart sensors and easy call controls make the headset so intuitive and convenient to use, it makes collaboration a breeze. Stay loud and clear whichever side you position your boom mic.

## COMFORTABLE AND EASY TO USE

Work comfortably wherever you are with the leatherette Teams certified headset which can work seamlessly across devices. Flexibly charge it in 2 ways and easily fit it in a pouch while on the go.

# Collaborate with ease anywhere

## IMMERSIVE AUDIO EXPERIENCE

Enjoy an immersive audio experience with high quality stereo sound. An on-demand active noise cancellation (ANC) switch allows you to toggle between blocking out ambient sounds or staying connected with your surroundings. Carefully tuned triple-mics offer superior background noise canceling, picking up only your voice, not the surrounding noise.

---

## SMART AND INTUITIVE FEATURES

Smart sensors mute your conversation when you remove your headset and resume your call when you put it back on, making collaboration intuitive and easy. Enhanced audio alerts automatically announce your connection status, talk time and mute status, always keeping you well informed.

---

## COLLABORATE WITH EASE

Easy call controls on your headset let you conveniently answer your call, adjust volume, redial when you are on the go. A dedicated mute button on your boom mic offers quick access to mute and unmute. It doubles up as an open mic button, providing you the choice to listen to the surrounding sounds when you are not on a call. Color and behavior of the status indicator light on your USB dongle keep you informed of your call status across devices like laptops, tablets and smartphones wherever you go.

---

## WORK COMFORTABLY

Adjustable leatherette headband and earpads offer a comfortable and secure fit, keeping you productive all day. Wear your boom mic on either side based on your preference. A hearing protection feature detects sudden loud sounds and protects your ears by preventing audio spikes.

---

## CONVENIENT AND EASY TO USE

Easily charge your headset by placing it on the charging stand or via the micro-USB port. Foldable earpads let you easily pack up and an included pouch protects your headset on the go. Dell Premier Wireless ANC Headset is Teams certified and compatible with leading UC platforms.
